#### **Industrial Area Growth: Information Update 2004-2008**

**March 21, 2005**

The City has published the Industrial Area Growth: Information Update 2004-2008. This report provides an overview of recent industrial development activity, detailed information on land supply, and estimates of future land demand. The report is the next step forward in providing better technical information required for an improved understanding of the needs and requirements of the industrial land and business community in Calgary.

Hardcopies are available for purchase from the City of Calgary. The document has also been placed on our website at [www.udicalgary.com](http://www.udicalgary.com), under Relevant City of Calgary Documents. The City of Calgary link hosting this document is:
