#### **Website Addition - Relevant City of Calgary Documents page**

September 29, 2006

We are pleased to advise the members of a recent addition to our website. We have added a page for Relevant City of Calgary documents for our member's convenience. The direct link to this page is <http://www.udicalgary.com/RelevantCityofCalgaryDocuments.htm>. It can also be found on our home page, by scrolling down half way to the Bulletins, Position Papers and Relevant City of Calgary Documents section and clicking on the link. This section will be updated and monitored regularly with pertinent City of Calgary documents related to projects that our Committee's and Task Forces are currently working on.

We encourage you to check this section of our website regularly for updates. We will also advise the members in the form of an information bulletin each time an addition is made.

If you have any questions please do not hesitate to contact our office directly.

For your convenience all UDI – Calgary bulletins are posted on our website at [www.udicalgary.com](http://www.udicalgary.com)
