

URBAN DEVELOPMENT INSTITUTE - CALGARY

INFORMATION BULLETIN # 50

2006 FAC/CCC Inspections

November 17, 2006

Please be advised that Calgary Parks have ceased accepting Final Acceptance Certificates (FAC's) effective November 16, 2006. Parks' current specifications allow for discretion by Parks to determine a cut-off date for FAC inspections and, due to winter conditions, this cut-off is effective immediately.

There are a number of FAC's received by Parks after September 30, 2005 that were submitted by the industry in previous months. Parks is committed to work with the industry representatives to ensure all valid sites obtain certificate. These will be worked through on a site-by-site basis.

With respect to Construction Completion Certificates (CCC's), Parks will continue to accept certificates that are submitted using the Construction Inspection Checklist & Construction Completion Certificate Report system.

If you have any questions or concern please do not hesitate to contact Calgary Parks directly.

For your convenience all UDI – Calgary bulletins are posted on our website at www.udicalgary.com
