INFORMATION BULLETIN # 60

M.D. of Rocky View Recreation Districts and Master Plans

July 19, 2007

We would like to encourage our members that are developing or planning to develop in the M.D. of Rocky View to view the information [click here](#) to gain a better understanding of the M.D. of Rocky View Recreation Districts and their Master Plans.

These Master Plans have been drafted by the individual Recreation Districts in the last year and then received Council approval. All Master Plans will be reviewed annually with public and industry input and we encourage our members to participate in this process.

The Master Plans will be used to guide development in relation to the Voluntary Recreation Contribution funds and it is in the developer's best interest to be very aware of the Master Plans and those on the Boards that revise them within the Recreation District.

If you have any questions please contact our office or the M.D. of Rocky View, Recreation Services at 520-1658.

For your convenience, all UDI – Calgary bulletins are posted on our website at www.udicalgary.com
